Information from Compass Fairs

Compass Fairs, avd. Trondheim | www.compassfairs.no

STAND DIMENSIONS

Each stand consists of one back wall and two side walls:

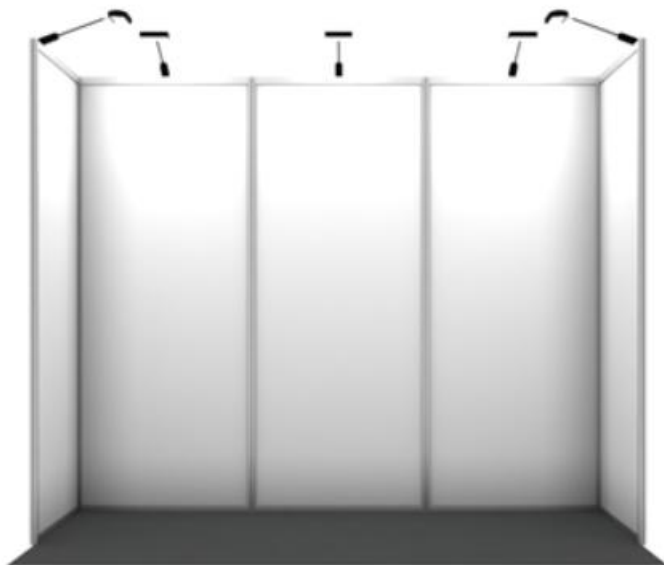

Back wall	296 cm wide × 250 cm high
Side walls	100 cm wide × 250 cm high
Floor depth	Approx. 200 cm from back wall
Total stand area	Approx. 5 m ²
Standard configuration	1 back wall + 2 side walls

Stands positioned at the end of a row may remove one side wall if preferred.

OPTION 1 — STANDARD (UNBRANDED)

Standard stand with white exhibition walls, spotlights on arm, and carpet on the floor.

Included for all exhibitors at no extra cost.

OPTION 2 — PROFILED WALL

Stand with profiled exhibition walls in aluminium profile, spotlights on arm, and carpet on the floor.

Your branding is printed directly onto the wall panels for a seamless look without disruptive poles.

OPTION 3 — PROFILED WITH BANNER

Stand with profiled banner walls in aluminium frame, spotlights on arm, and carpet on the floor.

Banners in an aluminium frame present images and text completely seamlessly, without disruptive poles breaking up the design.
